2 Acquitted of Slaying Negro by Georgia Jury

By KATHRYN JOHNSON

DANIELSVILLE, Ga. (AP) — Two white men have been acquitted in the night-killer slaying of a Negro in Washington, D.C., Negro Lemuel Penn. However, they still face federal conspiracy charges under the new civil rights law.

Joseph Howard Sims, 41, and Carl William Myers, 25, heard the verdict Friday night after a day of white men deliberated for more than three hours. Gasps and murmurs arose from relatives and friends. Superior Court Judge Cary Patton rapped for order. Relatives of the two men wept. Sims and Myers hugged their wives. They were surrounded by well-wishers.

Sims and Myers, whom the FBI identified as Ku Klux Klansmen, still face federal charges of conspiring to injure, oppress, threaten and intimidate Penn.

Penn was killed July 11 by a shotgun blast fired from a moving car. Penn, an Army Reserve lieutenant colonel, and two other Negro officers were en route home to Washington from reserve duty at Ft. Benning, Ga.

The state contended the killing was a senseless deed.

Sims and Myers will remain in custody of the Madison County sheriff until they can be turned over to federal officers. Both are under bonds of \$25,000.

The maximum penalty on the federal charge in addition to the fine is a 10-year prison term. They must be indicted first, however, by a federal grand jury which normally would not meet until early next year.

Asked by newsmen how they could meet the bond, defense attorney James Hudson said, "These boys got a lot of friends, and we do, too."

Two Injured in Four Car Accident

In a four-car accident last night on Highway 67 west, two Nashville, Tenn. residents were injured but not critically. There was heavy property damage.

The incident occurred when an auto driven by William Boyd, Texarkana Negro, attempted to pass two cars, one driven by Lester Cook Hope Negro and Dan Jones, also of Hope.

An oncoming auto forced Boyd's car into the Jones vehicle, it then bounced off into the Tennessee auto and careened into the Cook car. Occupants of the Nashville, Tenn. auto, Mr. and Mrs. Jim Hoyle were injured. Mr. Hoyle suffered a head injury, not serious. Mrs. Hoyle suffered face lacerations and broken ribs. Both were brought to a local hospital by an ambulance for treatment.

Their daughter, sleeping in the back seat, was not hurt. Occupants of the Jones car, Diane Ellis, Betsy Martindale and Mutt Wassell, escaped injury as did Lester Cook and Boyd. State Police investigated.

Pickup Hits Pole, Driver Charged

A pickup truck driven by Doyle Powell went out of control at the end of South Main about 1 a.m. today and struck a telephone pole near the Dixie Drive-in. Powell was injured and taken to a local hospital for treatment. Extent of his injuries could not be learned.

City Officers Rowe and Martin charged Powell with reckless driving.

Arkansans Benefit

LITTLE ROCK (AP) — The Farmers home Administration says some 44,000 Arkansans benefited from loans totaling \$30,481,000 during the 1964 fiscal year. A spokesman said \$530,000 went to eight rural communities for construction of water distribution systems. Loans totaling \$5,883,000 went to 1,939 farmers as assistance after droughts, floods and storms.

Corn and Soybean Demands Active

CHICAGO (AP) — Demand for corn and soybean futures was active most of the time today and it boosted several contracts of both commodities to their season highs on the Board of Trade. Wheat turned weak, however, on selling which brokers called outright liquidation by speculators.

Strength for soybeans was understood to have been based on a fairly general belief that a crop report to be issued after the close of the market would be decidedly bullish.

Carlot receipts were estimated at: wheat 10, corn 166, oats 6, barley 8, soybeans 2.

Poses as a Doctor, Earns \$25,000

DETROIT (AP) — Authorities are checking today into the background of a man who they said earned some \$85,000 while posing as a physician for four years.

Michigan Atty. Gen. Frank Kelley Thursday termed the case "one of the most fantastic stories of deception in the state's medical history."

Kelley said the man, Thomas M. Novak, 29, of suburban Livonia, had no medical degree.

"Apparently he picked up all his medical knowledge by visiting different medical schools," Kelley said.

The attorney general said Novak was tripped up after he recently applied as a physician for an insurance policy. No record of Novak's doctor's certificate was found, Kelley said.

Kelley said Novak, a 1953 graduate of Detroit's Chadsey High School, "faked" attendance at schools of medicine, including the University of Michigan, Ann Arbor, Wayne State University in Detroit, and Johns Hopkins University medical school, Baltimore.

"He would buy a lot of books but would not actually attend most of the classes," Kelley said. "He picked up a lot of knowledge by simply putting on a white coat and walking into a hospital to observe the operations."

The state's chief legal official said Novak prescribed drugs for patients after picking his registration number for narcotics prescriptions "out of thin air."

Kelley said there was no immediate indication that any of Novak's patients had been harmed or that he had performed any surgery.

Novak bought a deceased doctor's practice from the man's heirs in 1960 and specialized in internal medicine, treating such ailments as heart and lung diseases and diabetes, Kelley said.

Kelley said Novak, who was not held, might be charged with practicing medicine without a license. This carries a maximum penalty upon conviction of a \$300 fine or up to six months in jail.

Novak, married and the father of two children, surrendered to authorities Thursday after being queried about his medical certificate.

Floor Collapses, Workmen Hurt

WASHINGTON (AP) — At least seven workmen were injured today when a concrete floor being poured in the National Press Club Building collapsed.

The accident was in the space formerly occupied by the Capitol Theater and now being converted into offices.

Five of the men, not believed to be seriously injured, were taken to George Washington University Hospital. The others suffered skin abrasions and bruises.

The area, about 20 feet square, was a tangle of steel rods and fresh cement. A construction superintendent said he did not know how many men were pouring cement when the floor collapsed. He said he believed the floor may have caved in because the braces gave away.

A police inspector said he had been informed that none of the construction workers is missing.

Crop Is Threatened

GOULD, Ark. (AP) — Crop dusters in Lincoln County are working around the clock in efforts to save the county's soybean crop from a major outbreak of boll worms. Extension agent Mark Bryles of Star City said the outbreak is the worst he has seen in his nine years as a county agent.

Training by ESD in Hope Is Planned

LITTLE ROCK (AP) — Thirteen manpower training programs expected to cost \$547,577 have been approved for Arkansas.

The Education Department and Employment Security Division will direct the programs, which will be open to 304 trainees.

Of them, 140 will be trained as practical nurses, 144 as auto mechanics, 25 as clerk typists and 25 as stenographers.

Areas in which training will be conducted and courses to be offered:

Little Rock-North Little Rock 25 clerk typists and 36 mechanics, Pine Bluff 25 nurses, Arakdelphia 6 nurses, Blytheville 35 mechanics, Forrest City-Helena-Wynne, West Memphis 60 nurses and 37 mechanics, De Queen-Hope-Stamps 17 nurses, Harrison - Mountain Home - Berryville 22 mechanics, Boone County 15 nurses, Hot Springs 25 stenographers, McGeehee 4 nurses and Mena - Waldron - Booneville 13 nurses.

Thai Plane Falls 26 of 34 Killed

BANGKOK, Thailand (AP) — A Thai Air Force C47 transport coming in for a landing crashed in northeast Thailand Thursday night, killing 26 of the 34 persons aboard, the Thai Air Force announced today.

The eight survivors, several injured seriously, were hospitalized.

The air force spokesman said all the passengers were Thai Air Force personnel.

Are you still wondering about that emergency call for an airplane that Robert Gladney of the local airport answered last week? Well, really, it was more of a request for transportation that had to be answered immediately. As far as emergencies are concerned, they don't arise very often. Gladney said in the 25 years that he has been flying he has never been close to or asked to participate in a type of disaster relief.

Robert Gladney has been flying since 1939 when he was at the U of A. During World War II, he was a lieutenant in the U. S. Navy and was a flying instructor at bases in Miami, Corpus Christi, and Pensacola. Today, he is still a flight instructor for those desiring and qualifying for lessons.

Arkansas has 104 civilian and military airports. Of these 55 are privately owned and 33 are paved and lighted. Hope's Municipal Airport is one of 11 in the state with runways 5,000 - 5,999 feet long, and there are only two that extend more than 7,000 feet. For many years some types of planes had to land here rather than at the Texarkana airport because of the length of the runways. However, this is no longer true as Texarkana facilities have been lengthened.

The business of flying has entered into many phases of the business world. For instance, Gladney is under contract to provide pilot service for Mountaire Poultry, M & M Leasing Co., and Corn Belt Hatcheries for business trips. Also, he makes contact with passengers from Hope going to and from airports in Little Rock, Shreve-

Hitchhikers Shoot Driver of a Truck

WEST MEMPHIS, Ark. (AP) — Fred Shaffer, 38, of West Memphis, was found seriously wounded beside his truck on Interstate 55 today. He said two hitchhikers shot him, police said.

Shaffer was in serious condition in a Memphis hospital. He was shot in the neck and jaw.

Officers said Shaffer, a maintenance superintendent for O'Neal Paving Co. of Little Rock, told them he picked up two teen-aged youths in work clothes.

He was quoted as saying they wanted out of the truck at the Joiner overpass but that the truck passed the overpass and the attack occurred after that.

Shaffer was working on an airport job at Osceola. Two co-workers, Elbert Garrett and Carl Johnson of Memphis, found him while on their way to work. The truck was stopped near Lake David in Mississippi County.

Shaffer moved to West Memphis from Osceola last November.

PSC to Head AP&L Application

LITTLE ROCK (AP) — The Arkansas Public Service Commission will hold a public hearing Sept. 10 on an application by Arkansas Power & Light Co. for authority to issue 75,000 shares of preferred stock at \$100 par value.

AP&L also asks authority to transfer \$5 million from its earned surplus account to its common stock account and to issue 400,000 shares of \$12.50 par value common stock.

The PSC also will hear Sept. 10 an application filed by Woodruff Electric Cooperative and AP&L seeking to exchange service areas in Augusta.

Perfect Orbit by OGO But Antenna Fails

CAPE KENNEDY, Fla. (AP) — OGO I swept away from earth on a perfect orbital path today, while space agency scientists tried to learn why two key experiments and the main radio antenna failed to work properly.

OGO's job is to measure potential hazards to man's space flight.

The malfunctions turned up as the 1,073-pound spacecraft passed over the Rosman, N.C., tracking station Friday night — less than three hours after blastoff.

Scientists promptly put the OGO (Orbital Geophysical Observatory) in a "hold" position, leaving it whirling through space until they believed the experiments could be tried again. Officials emphasized that none of OGO's 20 experiments had been turned on.

Earlier, the National Aeronautics and Space Administration reported that OGO, an oddly shaped metal monster with protruding antennae, jets and eyes, had whirled into a giant oval orbit — extending from 177 to 93,313 miles, close to its planned path.

A single trip around the earth will take OGO 63 hours. OGO is the most advanced scientific satellite yet launched by the United States. Packed into its dragon fly-shaped frame are instruments for sophisticated experiments devised by scientists from seven government laboratories and nine universities.

The money was left in trust to Shaw by Bushnell Dimond, a New York writer who died last June 6.

An attorney has been trying to find Shaw and the New York Daily News ran a story Thursday in the form of an open letter to Shaw.

"Hey! is this you?" firemen greeted Shaw when he stopped at the firehouse.

Shaw grabbed the newspaper and learned of his fortune.

Shaw remembered striking up a friendship with Dimond and the conversations the two had for three years, about art, literature, and world culture in general.

Sometimes the two took walks together or stopped off for a beer. Shaw last saw his friend in 1951.

Shaw lives in a \$57-a-month apartment in the Bronx with his wife, Tecla, 34, and sons, Steven, 9, and Vance, 4.

What will he do with the \$250,000?

A belated honeymoon trip to Hawaii, said Shaw. He also talked about buying a home in New Jersey. But mainly he was still shocked by his new affluence.

He took one step quickly. He quit his extra job as a taxicab driver.

Judgment Asked Against Sheriff

LITTLE ROCK (AP) — Circuit Judge Guy Amsler was asked Thursday to award a \$12,100 judgment against Garland County Sheriff Duffie Searcy for his alleged failure to serve a writ.

Mrs. Rebecca Cooper, a Negro of North Little Rock, sought the judgment. Her motion will be heard Sept. 18.

Mrs. Cooper received an \$11,000 judgment against Mrs. Frances Soncini of Hot Springs in a traffic injury suit in Pulaski Circuit Court May 13.

A writ of execution, empowering Searcy to seize property to satisfy the judgment, was issued. Mrs. Cooper's suit says Searcy failed to return the writ to the circuit court within 30 days as required by law.

The law provides that the person holding a judgment may sue a sheriff who does not return a writ for the amount of the judgment plus a 10 per cent penalty.

Communists Defeated in Chile Election

By THOMAS J. STONE

SANTIAGO, Chile (AP) — Pro-Western Eduardo Frei, a moderate leftist, rode to a landslide victory Friday night in Chile's presidential election. His success set back a serious Communist threat to the copper-rich Latin American republic.

Frei, 53, a reform-minded Christian Democrat, trounced Communist-backed Socialist Salvador Allende, who had pledged to nationalize nearly \$2 billion worth of U.S. property in Chile and restore diplomatic relations with Cuba.

"We have obtained a truly immense victory. I receive this mandate of the people with humility," Frei told cheering thousands.

"Revolution! Revolution!" enraged followers of Allende shouted. They charged that President Johnson and Pope Paul VI had contributed money to defeat Allende, a plump 56-year-old physician who has lost three times in a bid for the presidency.

Allende's opponents said Moscow and Havana had smuggled money into the country for his campaign.

Frei followers celebrated into the night, singing and dancing in the streets. Frei, a senator, will take the government reins Nov. 4 for a six-year term. He succeeds Jorge Alessandri, barred by the constitution for seeking re-election.

Fireman Left \$250,000 by Friend

NEW YORK (AP) — Fireman Richard Gregory Shaw, 34, was off duty Thursday night but stopped by the firehouse for a cup of coffee with the boys — and learned he is heir to \$250,000.

The money was left in trust to Shaw by Bushnell Dimond, a New York writer who died last June 6.

Tooth Tartar Cause Is Discovered

By ALTON BLAKESLEE
CHICAGO (AP) — Chemists today reported finding the chemical substance that causes "tartar," the hard, irritating deposits that form on teeth.

This may open the way to means of preventing tartar and the destructive gum and mouth troubles it can inspire, said Dr. Albert Sobel of Beth Israel Hospital, New York City.

He and associates found an organic ingredient, in saliva, which seems to be the guilty agent, Dr. Sobel told the American Chemical Society.

This material is apparently deposited as a thin film on the teeth, then is calcified or hardened by calcium and phosphate in the saliva, he said.

Tartar can penetrate and irritate the gums, causing loss of bone structures that support the teeth. Gum or periodontal diseases are the major cause for loss of teeth after age 40. Before that, tooth decay is the main destroyer.

The chemists found that calcification of the tartar agent could be prevented by tiny amounts of beryllium chloride. But this chemical is too poisonous to be used as a preventive in human mouths.

"Perhaps ways and means will be found for preventing the formation of the calcifying principle in the saliva," Dr. Sobel said. "However, before we undertake anything as rash as interfering with production of this principle, we must know more about why it is present."

"Perhaps normal amounts (of tartar) are nature's repair mechanism on the surface of the teeth, which are continually worn away and dissolved in trace amounts."

Dr. Ralph G. Eilberg of Beth Israel and Dr. David Gould of Colgate-Palmolive Research Laboratories, New Brunswick, N.J., were co-authors of the report.

"DEAR ABBY"

FACE FACTS, MAN!

By Abigail Van Buren

Dear Abby: Two years ago I had an affair with a woman who left her husband and children to live with me. I left my wife and children, too, but I couldn't stay away from them so I finally broke up with this woman. After I left her, she claimed the last child she had was mine. It could be, so I have been giving her money. I've been hiding all this from my wife, but we've been having so many arguments over money lately that she suspects me of keeping this woman. If I stop giving her money, I'll lose my wife. I want to save my marriage, because I could never be happy with this other woman. I've already hurt my wife so much, I don't want to hurt her any more. Please answer in your column. I can't get mail at home. Thank you.

TROUBLED

Dear Troubled: You need a lawyer. To submit to blackmail for the rest of your life is unnecessary. If she does take you to court and the mess "becomes known," it shouldn't shock your wife too much, because she knew you left her to live with another woman. Let the law decide how much, if anything, the other woman is entitled to. And pay up like a man, if you must.

Dear Abby: My husband and I were at our club recently, and while dancing with an eligible bachelor who has been a hunting friend of my husband's for years, something he said left me with mixed emotions. He said, "If anything ever happens to your husband, I want you." I confess I was both flattered and disturbed. How would you have taken that remark?

OVERWHELMED

Dear Overwhelmed: As a warning. Don't let your husband go hunting with this "friend" any more.

Dear Abby: I am almost 16, and my problem is a mother who won't let me have a girl friend over unless the house is in perfect order. She's afraid

the girl might go home and tell her mother that she's a poor housekeeper. Abby, my girl friends don't go to people's homes to see what kind of housekeeper the mother is. I know when I am at someone's house, I never notice the housekeeping unless it is horribly messed up, and even then I wouldn't care, or say anything about it. Can't you explain this to my mother, Abby? She reads your column, and I can't seem to make her understand.

WANTS COMPANY

Dear Mother: There is nothing more comforting to a mother than knowing where her daughter is, and with whom. You can insure this feeling by encouraging your daughter to bring her friends home, and letting them know they are welcome any time. Youngsters take little notice of housekeeping. In fact, a little disarray is strangely inviting.

Dear Abby: I started trying to remember the last time my husband gave me a compliment or told me that he loved me and, Abby, it had been so many years ago I couldn't remember.

Then one day last week I heard you say on the radio that the way to get love was to give it. So that night when my husband was helping me dry dishes, I suddenly put my arms around his neck and said, "Darling, do you know that I love you?"

He was so overcome, he almost dropped the cup he was drying. Then he kissed me like I hadn't been kissed in years! I just can't tell you how much it meant to both of us, Abby. I am 62 and he is 64.

Thanks From Both Of Us

Making a Speech But Not Opener

WASHINGTON (AP) — Democratic presidential candidates traditionally open their campaigns with Labor Day speeches in Detroit—but not President Johnson.

Johnson will speak in Detroit's Cadillac Square Monday, but George E. Reedy, White House press secretary, said today in response to a question that it would not be correct to report that Johnson will formally launch his campaign then.

"I'm not labeling this a campaign trip," said Reedy. "He's going out to Detroit to make a Labor Day speech."

Asked whether the taxpayers or the Democratic National Committee would pay Johnson's travel expenses, Reedy said he would have to check.

Crop Duster Dies in Plane Crash

BRINKLEY, Ark. (AP) — A crop duster pilot was killed today when his plane crashed and burned at Keevil, six miles south of here.

The victim was Lindsey White, 27, an employee of Hicks Flying Service of Clarendon. Officers said he recently had moved to Clarendon, from California.

The accident happened on the Glen Hodge farm, where White was dusting soybeans. Mrs. Hodge, who saw the accident, said the plane circled over her house and crashed while in a turn.

The impact buried part of the plane and the pilot in the ground. Rescue crews worked two hours to free the body.

Khanh Again in Control of Viet Nam

By MALCOLM W. BROWNE

SAIGON, South Viet Nam (AP) — Maj. Gen. Nguyen Khanh again assumed full command of South Viet Nam's shaky government today. The premier said he had won support of Buddhist leaders who were threatening to renew antigovernment violence unless their demands were met.

Khanh's return to power after a five-day "temporary retirement" at the mountain resort of Dalat was disclosed by a government spokesman following a six-hour emergency Cabinet session. Khanh flew to Saigon from Dalat amid reports that he was demanding full support from all members of the caretaker government that had been led by acting Premier Nguyen Xuan Oanh.

"The military has promised Gen. Khanh their complete support. The situation looks much more stabilized today," the spokesman said.

Khanh, 37, was expected to retain members of the powerful Dai Viet party in the government and the armed forces. Before Khanh went to Dalat last week, following violent antigovernment demonstrations, he charged that members of the party had plotted against his government. He conferred today with Nguyen Ton Hoan, leader of the party who resigned Wednesday as vice premier after charging Khanh's government had no legal standing.

"Gen. Khanh plans no reprisals against them," the spokesman said.

Khanh also won an agreement from Buddhist leaders to call off a planned hunger strike and a possible general strike, the government said. The agreement presumably entail concessions, but these were not spelled out. The spokesman said the Buddhists fully supported his resumption of duties.

Buddhist leaders had planned a 48-hour fast in a move to end what they called "indiscriminate arrests, provocations and oppressions."

Oanh, who was visiting the northern city of Hue, was to return to his duties as deputy

Death Penalty Asked in Ga. Murder Case

By KATHRYN JOHNSON

DANIELSVILLE, Ga. (AP) — A state prosecutor asked a jury of white men today to bring in the death penalty for two white men charged with murdering a Negro educator and Army Reserve officer.

Prosecutor Clete Johnson in his summation charged that the defendants, Joseph Howard Sims and Cecil William Myers, shot down the Negro, Lemuel Penn of Washington, D.C., on a highway last July 11.

"The law of the State of Georgia is the death penalty," Johnson told the jury.

"They are not entitled to sympathy or mercy, because they showed no sympathy or mercy."

Sims, 41, and Myers, 25, were among four white men identified by the FBI as Ku Klux Klansmen—charged in the pre-dawn slaying.

Johnson appealed to the jury "to stop this type of nightriding with guns."

Sims and Myers in unsworn statements to the jury Thursday said they were innocent. Also charged with murder in the case is James S. Lackey, whose repudiated statement implicating himself and the other two was introduced in evidence. The fourth man, Herbert Guest, was freed of murder charges during the trial.

Johnson said the killing was a cold-blooded assassination motivated by hate and violence.

"The honor of the State of Georgia is on trial here," he said. He pounded with his fist on the speaker's stand when he called for the death penalty.

Texarkana Hogs Overpower the Hope Bobcats

By Carter Hardage
Hope Star SportsWriter

Thrown up against AAA giant Texarkana last night, the Bobcats were mercilessly mauled 35-6 before a capacity crowd in Arkansas High's Buhrman Field.

Plagued by fumbles, incomplete passes, and mistakes, the Cats showed a spark only during the third period. Quarterback Vince Massanelli and halfback Johnny Samuels made key runs during the sixty-seven yard drive, and Jerry Burnett took the ball over from the six-inch line.

When asked about the game afterwards, head coach Alan Howard said, "What can I say? We got beat by a real fine football team."

"The only time that we look like a real team was during the third quarter. It just so happens that a game is made up of four quarters instead of one."

A holding penalty stopped the Hogs on their first possession of the game, but the Bobcats ran out of downs and had to punt. Big Jimmy Johnson booted one from the 33 clear out of the end zone, and the Razorbacks took over from the 20. On repeated long gainers by tailback Joe Blagg, Texarkana moved within striking range, only to have one of the night's numerous penalties put them back out to Hope's 31.

Here ace quarterback Freddie Green limbered up the arm once, a fifteen yarder to tailback Gene Lott, but completed only to move the Hogs within striking distance again. On fourth and ten, Lott split the up-rights with a twenty-one yard field goal to give Texarkana the lead, 3-0, which they never relinquished.

The Bobcats again penetrated into the pig pen, but were stopped short when Royal scooped up a loose ball for the Hogs.

Green again went to the air, but to no avail, and Texarkana punted out to Johnny Samuels on Hope's seventeen yard line. The ball got away from Samuels, however, and found its way into very willing Texarkana hands.

There was no stopping the Pigs from so close in, and Lott romped over from the three. Ronnie Ingram batted down the try for point after, and the first quarter came to an end with Texarkana out front 9-0.

During the second period, the Cats mounted two unsuccessful efforts to break down the brick wall of the Texarkana defense.

Green set up the next Hogs tally on a long pass to Lott. Lott then got the ball on the next play and proceeded to out run two Hope men around for the score. PAT by Lott was no good, and the Razorbacks led 15-0.

Only five minutes remained in the first half, but a halfback pass from Razorback Randy to Harville put the damper on a Hope attempt to break into the scoring column.

The Hogs again marched the length of the field. This time fullback Lynn Smith was given the honor of going across. The Texarkana line opened a hole big enough to dive a truck through, and he stepped across from the one. The conversion attempt failed for the third time in a row, and Texarkana widened the already large gap out to 21-0, where it stayed until after the half.

Hope took the kick when play resumed and cashed in for their only TD. Keepers by Massanelli and some rough running by Johnny Samuels brought Hope up within six inches of the goal, and Burnett took it through the right side of the line for the tally. Jordan's attempt at the extra point was no good, and Texarkana led 21-6.

The Bobcat defense came to life then, and Gary Poole grabbed a fumble on the Texarkana thirty-two.

A quick pitch to Burnett moved the Cats to the eighteen, but Burnett had the ball jarred loose on the next play and the chance for a tally was spoiled by a Razorback recovery.

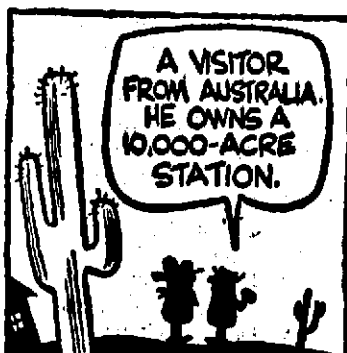

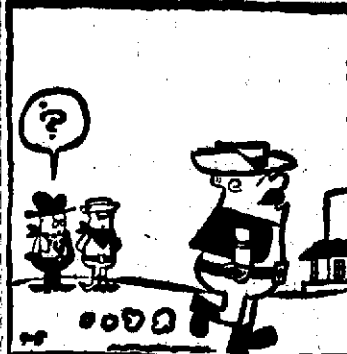

The Hogs again began to move, this time behind the bone-jarring runs of Blagg. The Pigs took to the air, however, and ended up a half yard short of the required.

They punted out, but Hope was unable to mount an offensive and gave the ball back. The quarter passed with Hope still trailing 21-6.

Texarkana then penetrated to the thirty-three, but gave up possession on downs. Hope was unable to monopolize, however, and Johnson had to punt out. A fifty yarder was called back by an illegal procedure penalty. The line gave way the second time, and Hogs converged on Johnson, blocking the kick. Johnson scooped up the ball on

the run, but was immediately hit. The ball popped into the air, rolled down his arm, but he again grabbed it, only to be hit again by more Razorbacks.

The Hogs took over possession deep in Bobcat territory, and the next play sent Blagg, about as easy to stop as a charging rhino, through the midst of the Cats on a twenty-nine yard gallop to paydirt. Lott's extra point attempt was good, and Texarkana led 28-6.

Texarkana kicked to Hope, but the Cats found no use for the ball and gave it back. The first play of their new series, Texarkana relied on Blagg, who complied with a seventy-seven yard dash that outran all the defenders except Virgil McNatt, who evertook him at the one, bringing him rather unceremoniously back to earth. Lott took the apple over on the next play, however, and added the point to put the Hogs out in front 35-6. Time ran out after the kickoff.

Burnett led the Cats in the rather bleak area of individual statistics with 7-29. J. Samuels racked up the same amount with one more try with 8-29. Massanelli was 9-29. B. Samuels 4-11, Jordan 3-4, Waller 3-2, and Johnson 1-2.

The Razorback did a little better in this department. Blagg racked up an unbelievable 201 yards in fifteen carries. Tinsley was 10-58, Lott 7-31, Green 7-19, Crane 2-9, Westbrook 2-6, and Smith 2-4.

Texarkana Hogs Overpower the Hope Bobcats

By Carter Hardage
Hope Star Sports Writer

Thrown up against AAA giant Texarkana last night, the Bobcats were mercilessly mauled 35-6 before a capacity crowd in Arkansas High's Buhrman Field.

Plagued by fumbles, incomplete passes, and mistakes, the Cats showed a spark only during the third period. Quarterback Vince Massanelli and halfback Johnny Samuels made key runs during the sixty-seven yard drive, and Jerry Burnett took the ball over from the six-inch line.

When asked about the game afterwards, head coach Alan Howard said, "What can I say? We got beat by a real fine football team."

Respite from TOIL

...that's what Labor Day is:

God is on the side of the working man, but He is against the indolent, shiftless, non-producers.

A man's work is born with him when he is born. But fitting is the day set aside in honor of the working man...it is

"Labor Day." On this nationalized day we should think on God, church, family and all the good fortunes of the American working man

...Jesus said, "I will give you rest."
